Request Under 37 C.F.R. §1.48(b) to Correct Inventorship

The inventors currently named on the subject application are Michael Wayne Graham, Robert Norman Rice, Peter Michael Waterhouse, and Ming-Bo Wang. In accordance with 37 C.F.R. §1.48(b)(1), applicants hereby request that Peter Michael Waterhouse and Ming-Bo Wang be deleted on the subject application because they are not inventors of the subject matter being claimed.

Under 37 C.F.R. §1.48(b), if the correct inventors are named in a nonprovisional application, and the prosecution of the nonprovisional application results in the amendment or cancellation of claims so that fewer than all of the currently named inventors are the actual inventors of the invention being claimed in the nonprovisional application, an amendment must be filed requesting deletion of the name or names of the person or persons who are not inventors of the invention being claimed. Correction of inventorship under 37 C.F.R. §1.48(b) in a nonprovisional application requires (1) a request to correct the inventorship that identifies the named inventor or inventors being deleted and acknowledges that the inventor's invention is no longer being claimed in the nonprovisional application; and (2) the processing fee set forth in §1.17(i).

In accordance with 37 C.F.R. §1.48(b)(2), the fee set forth in §1.17(i) for filing this Request to Correct Inventorship is one hundred thirty dollars (\$130.00). Applicants hereby request that this amount be charged to Deposit Account No. 03-3125.

As a result of granting this Request the inventors on the subject application should be listed on the records of the U.S. Patent and Trademark Office as follows:
